

**1. Purpose** The purpose of this ISMS policy is to ensure that all organizational assets are protected against threats.

**2. Scope** This policy applies to all employees, contractors, and third-party vendors who use the company network.

### **3. Roles and Responsibilities**

- **IT Department:** Responsible for maintaining the firewall and antivirus software.
- **Employees:** Must not share their passwords and should lock their computer screens when leaving their desks.

**4. Acceptable Use** Company equipment should primarily be used for business purposes. Occasional personal use is allowed as long as it does not interfere with daily tasks or compromise security.

**5. Enforcement** Violations of this policy may result in disciplinary action.
